b. Project proposals for HHPC 2019

SIGNS: Les has been working on getting signs restored in Harrington, he will talk to Gordon about the condition of wall on the south side and the parapet of the Caterpillar Building. He has raised \$600 so far for that sign, and John Rankin said repainted a sign like that would cost \$10 sf.

Les will also work on the existing proposed sign ordinance that is part of the 2000+ Plan.

MEMORIAL HALL : Heather and Dianne suggested getting pictures/proposal of what the Memorial Hall could look like in restoring the facade to submit to the Lion's Club. It was discussed what the best way would be to see what is under the exterior corrugated covering, or under the paneling on the inside.

DESIGN REVIEW: Karen will find an existing design review that we could copy from for adoption by the group and then the City of Harrington.

EMPTY LOT PROJECT: Karen suggested that the HHPC support the development of the empty lot in the center of town in whatever way possible this year. There is a \$30,000 grant that needs to be matched in time and materials. If everyone can support this verbally, with money, with time, or materials, it would greatly help.
