

The Vision

The vision for the development of this lot is to enhance community health by creating a space for people to connect and enjoy pride of place in a meaningful and long-term way. A central meeting place would strengthen participation in community events like Fall Festival, Fun Run, Cruizin' Harrington and Opera House performances. Farmers markets, vendor space, and outdoor musical events are all possibilities!

The Grant

The Chamber of Commerce received a "challenge grant" from the Innovia Foundation out of Spokane in the amount of \$30,000 and for every \$1 we raise they will match it (up to \$30,000). Innovia has set up a Community Fund that is now ready to accept donations towards this project. Donations of time, materials and equipment are also considered matching funds to the grant. Ask us how!
