## HARRINGTON AND THE HUCKLEBERRY PRESS

The Harrington Area Chamber of Commerce is excited to be working with the Huckleberry Press. Currently there is a dedicated section with a working title named “Harrington Happenings” within each issue of the Huckleberry Press. You can get this FREE paper on a bi-weekly basis at Harrington Food Mart, Harrington Golf & Country Club, Grange/Cenex gas station and at The Post & Office coffee shop. Our focus for this new endeavor is to promote and advertise Harrington and what it has to offer. We will have a Calendar of Events, students/athletes of the month, articles about Harrington to go along with advertising for community groups and businesses. If you would like more information on advertising or getting an article in this paper, please email the Chamber at [harringtonareachamber@gmail.com](mailto:harringtonareachamber@gmail.com) or contact the Huckleberry Press directly.

## VACANT LOT AT 3<sup>RD</sup> & WILLIS

Over the winter a group of likeminded individuals was formed to formulate a plan of action for the vacant lot in Historic downtown Harrington at the corner of 3<sup>rd</sup> and Willis. To bring you up to date we are currently working with a landscape architect who has ties to Harrington. We are in the middle of the grant process with a couple of grants available and closely working with the City to keep moving forward on this project. Our common goal is to make this lot a safe, beautiful, healthy outdoor place for people to gather, use as a walking destination and to interact with locals as well as people who visit Harrington. The lot development will bring people together and act as a welcoming place for visitors and community members alike.

## OUR COMMUNITY IS WONDERFUL

We have been volunteering our time, donating towards our community and the interacting within this little town of ours. When you take the time to think about what we have all accomplished together, it is a very warming feeling that comes over you. Let us keep up the hard work and dedication that has got us to this point and not let up. I encourage everyone to be involved in some way and help make a difference. Big or small it does not matter, what matters is that we help one another and show a sense of pride and accountability for Harrington. Thank you to all the individuals, businesses, groups and organizations that make it possible! We could not do it without you all and let’s continue to build and restore our community together.

## MEETINGS

***Chamber Meetings are the 1<sup>st</sup> Wednesday of each month at 12 noon. We will try to have quarterly meetings in the evening to accommodate those that can’t attend during the lunch hour (Date/Time TBD).***

***\*We encourage you to attend the meetings as your voice is important\****
