“Our mission is to actively promote businesses in the Harrington Chamber of Commerce Area.”

REVIEW OF JANUARY --- APRIL 2017

Well spring is here, or is it? Either way we are ready for that sunshine to be upon us and enjoy the warmer temperatures. The Chamber would like to welcome our newest members and thank them for joining. Furthermore, the Chamber voted in new Vice President, Allen Barth as the position became vacant in February. Updated By-Laws were presented and adopted by the Chamber in March. Equally important, several extremely generous donations were made to the Chamber by a local resident as well as a frequent visitor to our city and park. Additionally, paperwork has been filed by the Chamber to gain status of a 501(c)(3) for non-profit organization. Exciting web developments along with new website design ideas have started with more to be worked on moving forward. The remainder of the year and what it has to offer is both intriguing and enticing.

CRUIZIN' HARRINGTON – MAY 20TH 2017

The time is here for the spring festival better known as Cruizin' Harrington. The date is set for Saturday, May the 20th and festivities begin at 9am. At the Studebaker Garage the 6th annual Harrington Car Show will be taking place. There will be food, drinks, live music, raffles and an ice cream social after the Car Show. Along the main strip of downtown Harrington you will see vendors of local area businesses and organizations with items for

sale. In addition to the vendors, the Harrington Area Chamber of Commerce is looking forward to sponsoring a Beer Garden downtown as well. Community members are involved in the day also, with yard sales going on all over town as well as a rummage sale at the Harrington Opera House and at the Harrington School put on by the PTA. Speaking of the school, the FFA will be having a plant sale and the pool is going to be open to the public. Do you like quilting? At the Harrington Opera House there will be quilt's beautifully displayed, sewing arts demonstrations and a PTA quilt raffle drawing. If you are looking to play some golf, the Harrington Golf and Country Club will be open to try your luck and skills with the clubs. Later in the evening up at the Country Club a prime rib dinner will be going on, contact the golf course for more information on reserving yourself a seat. On behalf of the Harrington Area Chamber of Commerce, we hope to see anyone and everyone at this fantastic community wide event.

HARRINGTON AREA CHAMBER OF COMMERCE NEWSLETTER (continued)

Volume 1 | Issue 2

On a final note, plans and discussions are in the works with the City of Harrington and the Chamber to do something with the vacant lot located at Third and Willis across the street from the Opera House. This is an extremely exciting and opportunistic time we are in for our lovely little town. Let us not let it pass without taking hold of what is happening right before all of our eyes. We appreciate everyone's support and hope to expand our community contributions for years to come.

MEETINGS

Chamber Meetings are the 1st Wednesday of each month at 12 noon. We will have quarterly meetings in the evening to accommodate those that can't attend during the lunch hour (Date/Time TBD).

****We encourage you to attend the meetings as your voice is important****
