

HARRINGTON AREA CHAMBER OF COMMERCE NEWSLETTER

Exciting changes happening to the retail face of Harrington's 3rd Street

It is hard to miss the changes driving down 3rd Street in Harrington. The private revitalization of some of the businesses are becoming more noticeable and we are getting excited to see more "Open" signs.

The Studebaker Garage received a fresh covering on its façade and freshened up lettering, while Studio 1 has started renovating the face of their business. The Harrington Marketplace opened in the 3rd Quarter and has garnered some fulltime vendors. Hotel Lincoln, the Electric Hotel has a new freshly painted door and windows and are regularly posting updates on social media showing the progress of their storefront. The Harrington Haus is actively being rebuilt and will be opening in the near future. Like Hotel Lincoln, they regularly post photos showing their progress and some of the new equipment they will have available to make your visit tasty.

Let's keep our fingers crossed that we will be enjoying these additions to Commerce (and Fun) in Harrington sooner than later!
